

LJYO Donor and Sponsorship Opportunities

Like most arts organizations, the LJYO cannot survive on ticket sales alone. Fortunately, the Orchestra has a broad network of members, subscribers, and supporters, both individual and business, who donate to and sponsor our programs to bring about “Music for Life!” As a donor, you would be welcomed into this group and be able to share in the benefits outlined below under Donor Opportunities.

We also encourage businesses of all size to become partners in our program. As pillars of the community it is an excellent way to demonstrate support for the arts. More importantly, it is a tangible, dynamic, and visible way to encourage the young musicians in whose interest we work to bring music to life. Sponsorship opportunities are also tabled below and we commend them equally to businesses, individuals, or groups.
