

La Jeunesse Youth Orchestra Inc. is pleased to be able to offer a music education scholarship to LJYO graduating members who have participated for more than 2 seasons in the orchestra and who are planning to continue music education at a post-secondary level.

This scholarship is named after the founder of La Jeunesse Youth Orchestra Inc, Michael Lyons. Michael started the orchestra in 1999 to provide an opportunity for musicians to pursue their passion and to be able to play as a group in an orchestral setting on instruments such as brass, winds, strings and percussion. Since its inception, many young musicians have passed through this program and have excelled in music at a professional level.

The scholarship committee requests a copy of your acceptance letter from the post-secondary school confirming your registration and a 500-word essay from the applicant and will review factors including the applicant’s musical contribution to the orchestra, performance ability, leadership, and personal growth as a student and musician during their years in La Jeunesse Youth Orchestra. Applications are due April 1 and may be hand-delivered or emailed to manager@ljyo.ca
